Fill your life with fragrance®

UK/IE-EN

Hello, friends!

**At Scentsy, our culture
is about Connections.**

Building relationships is how this company began, and we've stayed true to that philosophy as we grew our global family into a beautiful, diverse network of cultures and backgrounds. All are welcome, and the more perspectives, the better.

A couple years ago, we saw remarkable growth. And while we've since hit a steady stride, it's you, our ever-growing family of customers and Consultants, who will help shape our future. Even if you're a casual shopper or approaching your Scentsy business part time, your contributions make an incredible difference.

To help encourage that connection, we've created an amazing product offering this season that we can't wait to share. I personally love the new *Summer Rain Warmer*, with a unique design that looks like real raindrops on a window. Pair it with our new *Pink Rhubarb Sugar* fragrance for the perfect spring/summer vibe all season long. But there's truly something for everyone in these pages, and we know you'll find your perfect fit.

While Scentsy co-owners Heidi and Orville Thompson serve their church mission in London, I'm grateful for the opportunity to lead Scentsy in the interim, while connecting more closely with you.

I can't wait to see how we all grow together!
